Something took Maria away
Oh how I wanted her to stay
But I realized that she had her own life

Maria was happy that day
But I was so proud to say that
She just found a new way that
I could never really go

Someone lead me to that road
Iâ€™m asking you help me to go on

And make it like you do
To make it like you do
Like you do
To make it like you do
Like you do

I wonder if Iâ€™m afraid
Why donâ€™t you go away
Leave it all behind
Iâ€™ve gotta Iâ€™ve gotta make up my mind

So lead me to that road
Iâ€™m asking you help me to go on

And make it like you do
To make it like you do
Like you do
To make it like you do
Like you do

Mariaâ€™s found another way
She left me stranded on the shore that day
She said that I could never swim away
And then she drifted away

So lead me over the sea
Iâ€™m asking you help me to go on

And make it like you do
To make it like you do

Like you do
To make it like you do
Like you do
To make it like you do
