Tonight, we can feel alive.  
And we'll take this town with everything we have.  
And we'll make it through this.  
If it takes a lifetime we'll be fine.

And this is the plan.  
We're not leaving anyone behind.  
And I swear I couldn't tell you.  
If I tried.  
And this is it.  
It's the closest you'll ever get.  
Tonight.

Time just won't turn back.  
When we learned how to face regret.  
Nothing could stop us then.  
But now...

We're just treading water.  
And keeping our heads above the waves.  
And we'll watch the sun till' it burns out.

And this is the plan.  
We're not leaving anyone behind.  
And I swear I couldn't tell you.  
If I tried.  
And this is it.  
It's the closest you'll ever get.  
Tonight.
