Today's the day, I'm gonna make it
Across that borderline I'm on
You might not see which way I'm going till I'm gone
I'll be following my heart

You'll be seeing that I'm leaving
No more feeling like a fool
If I'm lying then I'm dying
No more cryin' over you
No more cryin' over you

We said almost everything we could
Except enough to make me stay
Soon I'll be over you, tomorrow I'll be okay
If I could just get past today

You'll be seeing that I'm leaving
No more feeling like a fool
If I'm lying then I'm dying
No more cryin' over you
No more cryin' over you

It's killing, me what you've been putting me through
But now I'm through
Tonight there'll be no more cryin' over you
Over you, over you, over you
