This is the place where the giants don't stand so tall
And when we look back we'll all say
"It didn't have to be this way"

All this time we're building up for war
And hoping this will see us through

Regrettably this might just be a waste of time
And when it's all falling down around you
It seems you're the last to know

Honestly your worries won't be there beside your bed
when you wake

Open your eyes
Your ears, your ears

All we do is hope that someone's listening

Open your eyes
Your ears, your ears

And hoping one day someone can prove me wrong
Now you know how this ends
While you're ahead

This is how I rock and roll
This is how you like it baby
This is who we are

This is how we rock and roll
This is how you like it baby
This is who we are
