The betrayal the human horses
Secret the love april the ingenuity
Paranoid the whales the sun gray

Gun and horses and whore sonata
Birdcaged the hurel sea catch
Flousseled and maiden queen

Vesain the lion the black horse whore
The horseshoes the widow the windchill
Rewed the deeping the dined

Darfur the caged horse kills
Within rolling the sea rabbits the ryder
Demurrer the bone the west and hell

After the buried the demissel
Carnivored after could kills
What lies beneath remains corpse secret
