"Do The Contract"

Everybody's doing it
It's the latest dance
No fancy footwork
Just shaking hands
Put your trust in me boy
I'll see you right
Gonna make ya big star
Put you up in lights yeah!
Do the contract do the contract hustle
Everybody do the contract hustle
Put your working life
On the dotted line
If you wanna do it
Gotta do it right
Screw the other offers
Take a look at mine - yeah!
Do the contract hustle yeah - it'll make me rich
Do the contract hustle yeah - we'll make it stick
Do the contract hustle yeah - take a look at mine
Do the contract hustle yeah - on the dotted line
