[CHORUS]

Every night...night and ay I wanna get you here to stay
Think about your positive vibrations
Every night...night and day girl I gone need your
anyway
Think about you all the time

[VERSE 1]

Every day...night and day girl I want you here to stay
Your love is all around never gonna give up
Your baby come to me I just gone set you free
You are the one I need, feels like in heaven

[CHORUS]

[VERSE 2]

Every night...night and day I wanna get you anyway
You are my fantasy, girl, you mean so much to me
My mind is telling me, yeah, you are the one for me
I want you here with me so come and get my loving

[BRIDGE]

Hey baby you're the only one for that I adore
And never let you go
Hey baby I will never give you up my love will never
stop
I gonna need your loving

[CHORUS]
