Since you've been mine, got you going my way
Seems I can do no wrong
It's the way that I feel when I'm with you
Your love makes me feel so strong

With you in my life it makes the world seen right
And one little kiss can make a dark day bright
Don't know what you do to make me feel so well
You must be an angel with a magic spell

Ooh, ooh, ooh, ooh
My lucky charm
Ooh, ooh, ooh, ooh
My lucky charm
She's my lucky charm

Ooh, ooh, ooh, ooh
My lucky charm
Ooh, ooh, ooh, ooh
My lucky charm

Out on the street, friends are sayin'
They see what a change you've made in me
And they wonder why there's a smile on my face
They're gonna be in love one day, they'll see

With you liftin' me, I'm walking on air
And when you hold my hand I don't ever care
Don't need a four leaf clover or a lucky penny
I only need to know you'll be there for me

Ooh, ooh, ooh, ooh
My lucky charm
Ooh, ooh, ooh, ooh
My lucky charm
She's my lucky charm

Ooh, ooh, ooh, ooh
My lucky charm
Ooh, ooh, ooh, ooh
My lucky charm

Well... my girl's the best, she gives me luck
When I'm feelin' down she cheers me up
When I see her my feelings rise
Ooh, girl, you hypnotize
Twinkle, twinkle little star
Lucky is what you are
With long dark hair and big brown eyes
She's like a leprechaun in disguise

Ooh, ooh, ooh, ooh
My lucky charm
Ooh, ooh, ooh, ooh
My lucky charm
She's my lucky charm

Ooh, ooh, ooh, ooh
My lucky charm
Ooh, ooh, ooh, ooh
My lucky charm

Don't need a four leaf clover or a lucky penny
I only need to know you'll be there for me
Don't know what you do to make me feel so well
You must be an angel with a magic spell

She's mine, mine all mine
She's mine, mine all mine

Don't need a four leaf clover or a lucky penny
I only need to know you'll be there for me
Don't know what you do to make me feel so well
You must be an angel with a magic spell
