Goin', goin', gone

Thank you for the funk
Thank you for the funk (You can dance away)
Thank you for the fink
Thank you for the funk (You can dance away)

Here's my chance to thank the ones
Who started all this funy stuff
Everybody's knows it, black and white
We can't go wrong if he groove is right

that's why we gotta thank you for the funk
Thank you for the funk
Thank you for the funk
Thank you for the funk

I am Sir Nose, de void of funk
Never learned to swim
Will never swim
Oh, no, not this party

Here's my chance to carry out
Keep the funk alive today 'cause it's so rough
So ruff, so tuff out there
In this alley way

Now you know it's time to dance
So get on the floor
Get your back up off the wall
Yeah, yeah
Ready or not here we come
Gettin' down 'cause

You know we gotta thank you for the funk
Thank you for the funk (You can dance away)
Thank you for the funk
Thank you for the funk

Take a little time to thank the ones
Who be giving up the funk, nothing but the funk

Thank you for the funk
Thank you for the funk (You can dance away)

Don't bring me down

La da da de la da da da da da da
La da da de la da da da da da da
La da da de la da da da da da da (Let go of my leg)
La da da de la da da da da da da
La da da de la da da da da da da (Leave me alone)

Never learned to swim

Stop
Hey, yo' Sir Nose
(What do you want now)
What about all the New Jack spreadin' the funk
(A'ight, kick it)

LaFace in the house
Teddy Riley in the house
Eddie F.'s in the house
Jam & Lewis in the house
Hakeem's in the house
Khiry's in the house
Jay is in the house
A yo', and my man Kip's in the house

Thank you for the funk
Thank you for the funk
Thank you for the funk
Thank you for the funk

We'd like to thank George Clinton
Sly & The Family Stone
??? for blowin' his horn
Ohio Players, Kool & The Gang
James Brown for doin' his thang

And we thank you for the funk
Thank you for the funk
Thank you for the funk

I never learned to swim
Can't fight the rhythm of the stroke
Here's the one, some people call me the funk
Here's a toast to the boogie

Here's the one, some people call me the funk
Psychoalphadiscobetabioquadoloop

Thank you
(Oh, no, not The Boys)

Thank you for the funk
Thank you for the funk
Thank you for the funk (You can dance away)
