You go your way
You go your way, I'll go mine
Maybe someday
Another place another time
When you find a substitute
Someone who can step in my shoes
And I'm hoping you do... I've got nothing to lose
Cos you can't hurt a memory
Can't hurt a memory
Can't hurt a memory
You can't hurt me
Will you miss me
Miss the way I crawled for you
If you need me
Don't call me I'll call you
I'm strong enough to know what to do
But not enough to make it with you
When I'm just a name, in a photograph frame
