You're old enough
And the night is still young
Have all the words on
The tip of my tongue

I'll say to your face
What I feel in my bones
I need you, oh, yeah

I'd feel alive
Just to be where you are
I know it's my heart
That took a sad fall

Why don't we go on
Reach for that star
I love you, baby, I love you

Please don't stop me
Baby, I'm on fire, oh, yeah
Don't put me out
Not while I'm burning
Oh, no, no, no, no

Absolutely taken with desire
Oh, yeah, please don't stop me
Baby, I'm on fire

Now I see in your eyes
That you're feeling it too
It struck us like lightning
From out of the blue

A moment of magic
Then, baby, I knew
I loved you, baby, I love you

Please don't stop me
Baby, I'm on fire
Don't put me out
Not while I'm burning
Oh, no, no, no, no

Absolutely taken with desire
Oh, yeah, please don't stop me
Baby, I'm on fire
Higher and higher

Please don't stop me
Baby, I'm on fire
Don't put me out
Not while I'm burning
Oh, no, no, no, no

Absolutely taken with desire
Oh, yeah, please don't stop me
Baby, I'm on fire

Please don't stop me
Baby, I'm on fire, ooh, yeah
Don't put me out
Not while I'm burning
Oh, no, no, no, no

Absolutely taken with desire...
