What about a little hand

What about a little hand

What about a little hand

For the boys in the band

How about a little hand

How about a little hand

How about a little hand

For the boys in the band now

Yeah, yeah

Say it a little bit louder

Say it a little bit louder, baby

Say it a little bit louder, baby

If you love us

We'd like to know it

Clap your hands and stomp

Your feet and show it

How about a little hand

How about a little hand

How about a little hand

For the boys in the band now

Say it a little bit louder

Say it a little bit louder, baby

Say it a little bit louder, baby

If you love us

We'd like to know it

Clap your hands and stomp

Your feet and show it

How about a little hand

How about a little hand

How about a little hand

For the boys in the band

Yeah, yeah

Just a little bit louder

Just a little bit louder

Clap your hands
