Should I just ride in and steal you away
I don't know what else to do
I've got a desperado love for you

I know you belong to another man
The first time we met I knew
I'd have a desperado love for you

I know that it breaks every law
To feel the way I'm feelin'
But I want your love so desperately
I don't see the wrong in stealin'

So hold on I'm gonna shoot for the heart
Like desperados do
I've got a desperado love for you

Should I just ride in and steal you away
I don't know what else to do
I've got a desperado love for you

Its so wrong to take what isn't mine
And head out for the border
But I can't look at you and have
Respect for law and order

So hold on I'm gonna shoot for the heart
Like desperados do
I've got a desperado love for you
I've got a desperado love for you
