I don't ever want to see you crying  
And I don't ever want to see you blue, oh no  
All I ever wanted to do was know you  
And maybe hope you could know me too

I don't ever want to make you sorry  
For anything you've ever said or done, oh no  
All I ever wanted to do was love you  
And maybe hope you could love me too

And it's alright baby  
I'm in love with you  
And it's alright  
I would never make you blue  
Or try to play with you

Well I don't ever want to spoil your party, babe  
Or tell you where to go or what to do, oh no  
All I ever wanted to do was know you  
And maybe hope you could know me too

And it's alright baby  
I'm in love with you  
And it's alright, yeah  
I would never make you blue  
Or try to play with you

Well, I don't ever want to spoil your party, babe  
Or tell you where to go or what to do, oh no  
All I ever wanted to do was love you  
And maybe hope you could love me too
