Sad stories run cheap 'round here
No reason to apologize
Everybody's had one bad year
You've fallon from paradise
But you're not alone, you're not alone no more

Chorus:

Honor among thieves, all that you'll need
It's how we live, it's how you die
Honor among thieves, everything we need
It's written in your eyes

Everybody's had to lose their pride
It's easy when you lay with dogs
You thought you had a private line
But nobody makes a deal with God
And you're not alone, you're not alone no more

Chorus

Pick a pocket and it makes you feel
Like a small time criminal
Steal a million in a crooked deal
Everybody's gonna let you know
That you're not alone, you're not alone no more

Chorus
