

The Brandos "The Siege"

No mercy tonight
It's like a siege
A battle for life
For hearts and dreams
A struggle to win
What fear betrays

Chorus:

I see (I see it coming)
The Siege has begun (with open eyes)
I'll fight on (it's always coming)
Until it's done (until I die)

The Siege never ends
I know for sure
My faith and my pride
Are battle-worn
I'll never give in
No flag of white

Chorus

Who am I, just a common man
Trying to hold on to what I am
Moon-rise comes, it begins again

No mercy tonight
Not from The Siege
The battle for souls
For hearts and dreams
A struggle to hold
What's torn away
