You can't hide any longer  
What he's doin' to you  
It's no secret anymore  
What he's puttin' you trough  
Between a daddy and his daughter  
Love should be strong  
But he's twisted it into  
Somethin' so very wrong

Chorus:

Baby we're so young  
But I don't care  
Gonna take you  
Far away from here  
Gonna mary you down  
In Mexico way  
Your nightmare's  
Gonna end today  
Baby we're so young  
But I don't care  
Got to get you  
Out of there

My whole life's ahead  
Of me it's true  
But I'm willin' to cast  
My whole lot with you  
At seventeen  
I'm far from being a man  
But desperate times  
They call for desperate plans

Chorus

And when we get back  
You're gonna be mine  
And your dad will have to reckon  
With me this time  
I may be just a boy  
But my hands ain't tied  
Gonna keep my baby

Safe from you at night

Chorus
