Just do your thing
If it makes you feel better
Go on and sing
If it makes you feel better
Shufflin' feet
Snuck up on me now
This young man's lost his way
He don't believe
All the stuff they told him
He's caught up in the fray
He said I've got this great big
Bag full of dreams
And I don't know what to do
I said a wise man gave me
The key to life
And now I give it to you
And I said
Just do your thing
If it makes you feel better
You're running that race
A little bit faster now

Towards your finish lines

Such a disgrace

You missed all the beautiful

You can't buy back the time

So stop and love

And dance and live

And laugh until you cry

Don't wake up to realize that

Your time has passed you by

Just do your thing

If it makes you feel better

Go on and sing

If it makes you feel better

You can cling to your fears if you want to

To your heart and your soul

You must be true

Chorus
