The strands in your eyes that color them wonderful  
Stop me and steal my breath  
Emeralds from mountains thrust toward the sky  
Never revealing their depth  
Tell me that we belong together  
Dress it up with the trappings of love  
I'll be captivated  
I'll hang from your lips  
Instead of the gallows of heartache that hang from  
above  
Chorus:  
I'll be your crying shoulder  
I'll be love suicide  
I'll be better when I'm older  
I'll be the greatest fan of your life  
Rain falls angry on the tin roof  
As we lie awake in my bed  
You're my survival, you're my living proof  
My love is alive not dead  
Tell me that we belong together  
Dress it up with the trappings of love  
I'll be captivated I'll hang from your lips  
And stand at the gallows of heartache, that hang from  
above  
Repeat Chorus  
I've been dropped out, burned up, fought my way back  
from the dead  
Tuned in, turned on, Remembered the things that you  
said  
Repeat Chorus
