The strands in your eyes that color them wonderful
Stop me and steal my breath
Emeralds from mountains thrust toward the sky
Never revealing their depth
Tell me that we belong together
Dress it up with the trappings of love
I'll be captivated
I'll hang from your lips
Instead of the gallows of heartache that hang from
above
Chorus:
I'll be your crying shoulder
I'll be love suicide
I'll be better when I'm older
I'll be the greatest fan of your life
Rain falls angry on the tin roof
As we lie awake in my bed
You're my survival, you're my living proof
My love is alive not dead
Tell me that we belong together
Dress it up with the trappings of love
I'll be captivated I'll hang from your lips
Instead of the gallows of heartache, that hang from
above
Repeat Chorus
I've been dropped out, burned up, fought my way back
from the dead
Tuned in, turned on, Remembered the things that you
said
Repeat Chorus
