"Angelina"

Oh Angelina
You are the sun and the moon
Every song I ever sang, I stole it from you
I knew that nothing could tear us apart, I never even
gave it a second thought
I was so sure and I was wrong, Now every single thing I
ever had is gone

Nothing here is set in stone
Nothing's ever set in stone
Everything I have some day will fall apart and fade
away

Oh Angelina
I learned my lesson this time
I took you for granted for so long And now I just wanna
die
Every thing I ever got, I never even gave it a second
thought
I was so sure, I was so sure - Now there's only one thing
I know for sure

Nothing here is set in stone
Nothing's ever set in stone
Everything I have some day will fall apart and fade
away

[Solo]

Nothing here is set in stone
Nothing's ever set in stone
Everything I have some day will fall apart and fade
away

Nothing here is set in stone
Nothing's ever set in stone
Everything I have some day will fall apart and fade
away

Nothing here is ever set in stone
