I know what your problem is, baby
Now take it from me
You think too hard, it makes you crazy
So come on sing songs with me, alright
(Oh, oh, oh, oh) lie in the sand
(Oh, oh, oh, oh) show me a smile
(Oh, oh, oh, oh) Girl, take my hand
And walk a while with me

Hey sunshiney day
Hey sunshiney day
Take a walk with me
Hey sunshiney day
Hey sunshiney day
Walk a while with me
On a sunshiney day

Some days were meant to be alone and
This day was meant to for a girl
There's no way you're staying home
Come on out and let me see those pretty curls

(Oh, oh, oh, oh) up on the roof now
(Oh, oh, oh, oh) take me by surprise
(Oh, oh, oh, oh) tell me the truth now
And fill my eyes with you

Hey sunshiney day
Hey sunshiney day
Fill my eyes with you
Hey sunshiney day
Hey sunshiney day
Fill my eyes with you
On a sunshiney day
