Bleed in your own light
Dream of your own life
I miss me
I miss everything I'll never be

I torch my soul to show
The world that I am pure
Deep inside my heart
No more lies

A crown of thorns
An image formed deformed
The mark I've borne
A mark of scorn to you

Consume my love devoure my hate
Only powers my escape
The moon is out the stars invite

I think I'll leave tonight

So that soon I'll find myself alone
To relax and fade away
Do you know what's coming down
Do you know I couldnt stay free?

I shall be free
I shall be free
I shall be free
I shall be free free
Free as the voices
It's all I need

I shall be free
I shall be free
