"The Ring Song"

Me and the ocean
Me and the sea
I don't think so
I don't think it was meant to be
Take me off, somewhere cold
Gradually just growing old
And someday maybe make of me an honest man

Yeah, well

I don't see no ring on these fingers
I don't see no ring on these fingers
Love in this town, it's like a joke
I must have had fun, cause now I'm broke

Down by the ocean, walk by the sea
All these people
They look so, they look so happy to me

What if all, I want want in this world
Turned out just to be an honest girl
Turned out just to make of me an honest man

Oh Yeah, well

I don't see no ring on these fingers
I don't see no ring on these fingers
Love in this town, it's like a joke
I must have had fun, cause now I'm broke

I don't see no ring on these fingers
I don't see no ring on these fingers
Love in this town, makes it hard to see
Things that aren't right in front of me

Oh yeah
Ba ba ba bada, ba ba ba ba
Ba ba ba bada, ba ba ba ba

In this town, it's like a joke

I must have had fun, cause now I'm broke
I'm blind in this town, it's hard to see
Things that aren't right in front of me

Yeah
