"Tyrant"

Everytime you come around
There's a bouquet for me
A corsage of promises
And I am pinned
Like a butterfly on a card
I'm naked and I'm scarred
And you're so perfect to me

Violent ties with hands like a steeple
Tell me lies with a tongue like a needle
I let the words shot down my throat
A face like an iron fist
That I can never resist
I learn the ...

Words of wisdom from your tyrant mouth
Words of wisdom from your tyrant mouth

I'm stuck just like a pig
Roasting in your eyes
I'll believe anything that you want
You gotta teach me how to live
Cause you make me wanna die
You took it all, now you're all I've got

Words of wisdom from your tyrant mouth
Words of wisdom from your tyrant mouth

There's noises in my head
Just noises in my head
If I could I'd drown them all out
I'd bury all of these noises
From your tyrant mouth

You're just a noise in my head
You're just a noise in my head
I'll drown you out
And I'll bury all the noises
From your hateful little mouth

Words of wisdom from your tyrant mouth
Words of wisdom
Words of wisdom
Words of wisdom from your tyrant mouth
Yeah...
