Chorus:

I'm over you somehow  
Only love knows how  
I have the strength to move on again  
The more you put me down  
"Cause love knows how  
It gave me the strength to move on  
Spent so many days wondering what's my chances  
I never thought I'd be alone  
When all I really needed was answers  
For the love that you've given to me  
(the love you give to me)  
I was in need  
Where we are where we're at  
Boy I could not see  
Every night (every night)  
That I cry (that I cry)  
I needed you here by my side  
But now I'm over you

Repeat Chorus

Had to use my mind  
Couldn't use my heart  
I didn't wanna see us apart  
This vision is so clear to me  
That we were not meant to be  
(that we were not meant to be)  
I couldn't see  
The desire inside wouldn't let me be  
Every night (every night)  
That I cry (that I cry)  
I needed you here by my side  
But now I'm over you

Repeat Chorus

Bridge:

Life goes on until the new beginning (ooh ahh ahh)  
Set me free from all of these feelings  
Now I can see that love's no guarantee (ooh ahh ahh)  
That's why I hold it all inside of me

Repeat Chorus

Only love knows how (knows how)  
Knows how  
Only love knows how (knows how)

Knows how
