Enlightenment engraves righteousness
Enlightenment upon the tomb of divinity.
Odyssey undead
Eternity the past is drained you'll stand
Drawn and quartered.
Eternity is my name.

The pages of flesh echo horror
In my dreamscape beauty reigns supreme
The gates of heaven and hell disappear
I know the end is all that you fear.
Oblivion.
Promise me that you're unbreakable.
I am the night, cold and numb
Promise me that you're unbreakable
I am the night, cold and numb.

Enlightenment engraves righteousness.
Crumbling at the touch of your fingertips
Odyssey undead
No god nor devil, no sign of fate
I place your burden upon my lips so pray upon your
saviors name
To be birthed in blood cleansed,
Within my pain you'll know true love
You'll face eternity the past is drained.
You'll stand drawn and quartered
Eternity is my name.

The pages of flesh echo horror
In my dreamscape beauty reigns supreme
The gates of heaven and hell disappear
I know the end is all that you fear.
Oblivion.
Promise me that you're unbreakable.

I am the night, cold and numb
Promise me that you're unbreakable.

Enlightenment engraves righteousness*
Enlightenment upon the tomb of divinity.
