Name is mc. Hey ladies, please gather 'round my balls.  
One at a time, get in line, this is a cattle call.  
I will inspect via sex if you've got what it takes.  
Time to disrobe all your clothes and give my tube a  
taste.  
I hit the bush and the tush, she's screaming 9-11.  
I make her gush in the puss, she's leaking like a levy.  
I got her legs in the air like they're TV antennae.  
I'll fill her box with my cock and make her cable ready.

Fail to foresee that mc was such an awesome fucker.  
All the ladies beggin' please. I say, "Hey, take a  
number!"  
Let my dick rest, it is raw, now is the time for slumber.  
When I awake I will take control and bring the thunder.

I'm like a boy in the barn. I'll fuck you by the horses.  
I'm like the guy on the side who makes girls get  
divorces.  
I'm like the coach that you poke while you're at tennis  
practice.  
I like my balls in your throat, this is a dirty racket.  
I like to fuck in my trunks, yes I prefer jacuzzi.  
I fell her nails, hear her wail then I impale her cootie.  
We make a mess for the guest and fuck up the filter.  
I guess I get her head wet, but that's how Jesus built  
her!

Fail to foresee that mc was such an awesome fucker.  
All the ladies beggin' please. I say, "Hey, take a  
number!"  
Let my dick rest, it is raw, now is the time for slumber.  
When I awake I will take control and bring the thunder.
