Yo what's up, this is MC, uhhh im chillin at the track  
tryin to make some money call me back 213862620,  
you wanna get the hit?, gimmie a hit, bizza.  
you have one new message  
hey chris, its john bayie uhh, did you try and call me?  
casue i've been in the hospital, in traction, they told me  
i fractured my liver? which i didnt even know you could  
do, anyway i still wanna do stuff on your record, uhh  
while i was on percodan i thought of a word that  
rhymes with engine so call me and i'll tell ya what it is,  
so yeah call me on my cell i'll uhh talk to ya later call  
me uhh bye.
