I bought you, I love you, I want to subjugate you tonight
I claim you, I name you, can't wait, you need to do me
for life

I think that you're great, you give me such a clean
place

My japanese maid, you are my wife and my slave
You do everything right, how did my whites get so
bright?

You are oh, so polite, and your vagina's so tight.

Harajuku, heaven sent, Pine-Sol, lemon scent
She's worth it, every cent, she's perfect in every sence
I need some cooking, cleaning, don't mean to be
demeaning

But when you feather dust my nuts I turn into a demon
There was no other recourse, so many chores that you
can do on all fours

So many windows and doors, so many rooms that you
wanna explore

so much dirt in the kitchen, so many dirty positions
Guess who's cleaning dishes, guess who's penis gets
kisses

Mine does. Word up.

[chorus]

Scrub scrub, gloves are rubber, you're the quicker
picker upper

Draw a bath and bring me supper, she's my servant
and my lover

There is no need for garters, my dick is getting harder
Go grab a swiffer, make it stiffer, stir it up for starters

I like to whip you raw, work it nonstop

Makin' me wish I had nine tentacle cocks

Flirty little fox with animal ears on top

I'm about to J-Pop

Got her on lock, down in my dungeon devices

now that i know that she's priceless

She could be my bubblegum crisis.

I don't know what that means.

[chorus]

I don't think you understand... bitches.
