No one can take our freedom  
Uh we  
We are not thirsty  
But, we will be (Toht, Raiders of the Lost Ark)

I wanna get stoned  
With Indiana Jones

I wanna chill with my homie  
In the boonies of Wyoming  
And see a TV and a Harrison a-moping

Number one on my bucket list  
My fuck Æçâ, ÑËœem up it list  
Get some dope  
Steal a boat  
Oh no Jimmy Buffett's pissed

Lets smoke the crack  
out of ancient artifacts  
Lets scream at each other  
til we both have heart attacks

Lets ride a helicopter  
Save a couple cub scouts  
Tell Melissa and Calysta that we'll miss Æçâ, ÑËœem  
But we out

We gotta, ride the waves  
Gonna live off the land  
Smoke as much weed  
As we can carry in our hand

We'll find a secret teepee  
In the far reaches of the ranch  
Where you keep a secret box  
That has got a secret stash

I desire my own firewall  
Inside the bowl  
Let's regard little Henry

Before we get too old

Lets burn mosquito toast  
Til we taste the ash  
Lets knock more back  
Until the bowl is cached

I wanna get stoned with Indiana Jones  
I wanna get bored with Harrison Ford  
I wanna get high for 6 days and 7 nights  
Don't ask me why but the sky seems really nice

Lets feed horses to our carrots  
And never call our parents  
Fuck going to town  
Lets never do our errands

Lets be aloof  
Act a goof  
With LaBeouf  
Let me cross this off my bucket list  
I can't handle the truth

Got the k19 chronic  
combine it with Frantic  
We call it the chronic  
it make bitches romantic

You can Force 10 from Navarone  
so high it sounds fair  
You can say I didn't kill my wife  
I say I don't care

No clear and present danger to our teepee in the  
shade  
We'll get so fucking baked its like were running on a  
blade  
We can do more Temples  
Call this our last crusade  
We can get Sean Connery stoned  
We can chill on monkey brains

Schizo kid beside her  
Come with me and trip  
You throw me the idol  
I throw you the whip

And this bad news for Nazis monkeys  
Poison was poured  
So let's break out stinky skunk  
Cause getting drunk is a chore

I wanna get stoned with Indiana Jones  
I wanna get bored with Harrison Ford  
I wanna get high for 6 days and 7 nights  
Don't ask me why but the sky seems really nice
