Well I'm not amazed when I read the trade and I see  
that the industry's dying  
I think that they're great in every way for me to poop on  
like I'm Triumph  
Well my names MC in the place to be I got backseat  
beats so dope  
That corporations be salivating over the brand new  
stuff I wrote  
So I better be great and make mad cake alamode if  
you know what I'm sayin'  
That's scoop of ice cream and two bay jeans? like a  
man named Marlon Wayans  
Some say I suck some say I rule a hundred schools  
Chalmers  
Well it's not an act not bore a fact fight crap like Laura  
Palmer  
Heard You hated hip hop, Heard You hated my voice,  
Heard you stole my CD cause you had no choice  
I'm in your brain now, I'm in your mind  
You say my name now, you say my rhymes  
Well there was a time not too long ago where I didn't  
have a pot to piss in  
Now I've seen the states, lots of license plates, on  
occasion a cutie for kissing  
Well i like to rap but all kinds of crap from this to Day of  
the Daleks  
Well I get respect, Hickey on my neck, beef jerky diet  
coke and a paycheck  
And around myself is my own wealth no in the red with  
the manger  
No I'm in the black I'm attracting smack now excuse me  
while I count my paper  
And on the real I got a wonder feel just thinking about  
my groupies  
They got lip piercings, damaged hearing, and they all  
can't wait to do me  
Because I make them move and I'm cute to boot, I got  
the skill to pay the bills online  
Kids can't resist when it come to chris we can spit  
ridiculous rhymes  
I'm on the brink though I kind of stink don't drink so I

don't have a bar tab  
I got Orson jowls and Aouda scowls and no cowl cause  
my name ain't Zartan  
I heard you hated hip hop, heard you hated my voice,  
heard you stole my CD cause you had no choice  
I'm in your brain now, I'm in your mind  
You say my name now, you say my rhymes  
I heard you hated hip hop, heard you hated my voice,  
heard you stole my CD cause you had no choice  
I'm in your brain now, I'm in your mind  
You say my name now, you say my rhymes
