I got the jam. The jam that make you go to work.  
Work! Work! Now work that pizza butt!  
I got the jam. The jam that make you go to work.  
Work! Work! Now wooooahh ah-ah-ah-ah...

It's so hot. Burn your mouth.  
Scar tissue. Make you go "ow!"  
Cheese must cool and congeal.  
Slice with a coke is a no joke meal.  
It's a quick bite that can't be beat.  
It's a pie chart that you can eat.  
It's a done deal if you don't delete,  
so bust the calories with the pizza beat.  
No oregano bits in your pretty little smile.  
Not even garlic bread. No Chi-town style.  
Gonna split your threads. You don't moderate.  
You're breaking in your 'fridge like its Watergate.  
You're bulimic come the weekends. You would seek a  
pizza beacon.  
Your actions speak of atkins but you're cheating when  
you're eating.  
An emotional abortion, you're divorced from delivery.  
Little league or literally some Italy wildebeest.  
So begin now you're the winner in your motorized cart.  
It's game over: roller coaster with your oversized parts.  
In denial, it'll be awhile. You act now and submit.  
I cut the crust off pizza butts and lift them titanic tits!  
Aaaaaawww...

I got the jam. The jam that make you go  
to work. (work work, now work that pizza butt)  
I got the jam. The jam that make you go  
to work. (work work, now work that pizza butt)  
I got the jam. The jam that make you go  
to work. (work work, now work that pizza butt)

You need help, I'm that guy  
Sayin', "hey lady, put down that pie!"  
you're so fat you eat cars

totally in love with your Wolverine scars  
some say Polo stole it from China  
some say your stomach ate your vagina  
is it delivery? no, it's DiGiornno  
let's microwave it and put in a porno

can't beat it. wouldn't see'em eat it  
can't miss me because it's so crispy  
but you need to backtrack  
'cuz they're givin helicopter tours of your asscrack

you got grease soaked up  
but you're puking in a bucket  
send a deep dish home  
bring it with a tip home with the mush top  
parents kinda like it with the BJ pepporcinis  
you only got one piece but went back cause you need it

you need to slow down when you mow down  
get your ass hypnotized  
it's a big boy breakfast buffet  
not a kids slip-n-slide  
pummel two pies for one price  
those cards can't get cost  
it's parker brothers pizza party  
drops off like it's hot.

I got the jam. The jam that make you go  
to work. (work work, now work that pizza butt)
