Meet a cutie at the movie go to couples skate stag  
Meet me at the carousel up at six flags  
i could Buy you cotton candy, win you tickets and

Cause ever since I saw you you've been all up in my  
cranium.  
Don't be scared, I'm prepared, got a seasons pass  
I've gotten straight A's up in roller coaster class  
And the Eagle and the Demon even Cajun Cliffhanger,  
Iron Wolf, Shockwave that got raves from Headbangers  
We'll ride the Roaring Rapids AKA we'll Water Rampage  
We'll ride the Tidal Wave until we're overcome with  
back aches  
Story i'm victorian like the imax but bigger  
Tiptoe to the back row and show you I'm a good kisser.  
Take an old timey picture with a sepia tone  
Your butt's so cute that I can't leave it alone  
I'll pick you up at seven because eight is too late  
See ya next summer, I'll be missin your face

You get a golden ticket cause I think that you're great  
It feels like I am flying I could ride you all day  
Loves a roller coaster with a really long wait  
(Loves a roller coaster with a really long wait)

You get a golden ticket cause I think that you're great  
It feels like I am flying I could ride you all day  
Loves a roller coaster with a really long wait
