Although it hurts to go away it's impossible to stay
But there's one thing I must say before I go
I love you (I love you) you know
I'll be thinking of you in most everything I do

Now the time is moving on and I really should be gone
But you keep me hanging on for one more smile
I love you (I love you) all the while
With your cute little away will you promise that you'll save

Your kisses for me save all your kisses for me
Bye bye baby bye bye don't cry honey don't cry
Going to walk out this door but I'll soon be back for more
Kisses for me save all your kisses for me
So long honey so long hang on baby hang on
Don't you dare me to stay 'cause you know I'll have to say
That I've got to work each day and that's why I go away
But I count the seconds till I'm home with you
I love you (I love you) it's true
You're so cute honey gee won't you save them up for me

Your kisses for me save all your kisses for me
Bye bye baby bye bye don't cry honey don't cry
Going to walk out this door but I'll soon be back for more
Kisses for me save all your kisses for me
So long honey so long hang on baby hang on
Don't you dare me to stay 'cause you know you've got to save
Your kisses for me save all your kisses for me
Bye bye baby bye bye don't cry honey don't cry
Won't you save them for me even though you're only three
