There's nowhere in the world
That I would rather be
Than with you, my love

And there's nothing in the world
That I would rather see
Than your smile, my love

[CHORUS]
For united we stand
Divided we fall
And if our backs should
Ever be against the wall
We'll be together, together
You and I

[Repeat CHORUS]

And if the world around you
Falls apart, my love
Then I'll still be here

And if the going gets
Too hard along the way
Just you call, I'll hear

[Repeat CHORUS 3x]
