Come close, come close
Come close, come close

The changes are drastic
You've been tripping the light fantastic
Your soul's in a shakedown
Baby, you're headed for a breakdown

I've got the potion
Perpetual motion
I've got the potion
Perpetual motion
Put your faith in me

Don't you know that

[CHORUS]
I'm the man, understand
I'm the only one who can
I'm the bad, make you glad
Medicine man
Got the cure, it's for sure
I'm the one you're looking for
I'm the bad, make you glad
Medicine man

Come close, come close
Come close, come close

I'm loaded for action
I guarantee your satisfaction
My baby needs hugging
My baby needs some super loving

I've got the potion
Perpetual motion
I've got the potion
Perpetual motion
Right here in my hand

Don't you know that

[Repeat CHORUS]

(Hold on, hold on
Hold on, hold on...)

Gonna squeeze you
Gonna hold you, gonna
Take you where you need it
Got to hold you
Gonna fix you, got to
Take it, where you need it
Gonna put it where you want it
Gonna fix you, alright

(Hold on, hold on
Hold on, hold on...)

Don't you know gonna
Shoot you, gonna ease you
Gonna keep it where you need it
Gonna hold you closer, closer
Gonna make you where you need it
Feel it, you got to feel it
I'm gonna fix you straight
And right out now cause, baby

I've got the potion
Perpetual motion
I've got the potion
Perpetual motion
I've got the potion
Perpetual motion
Put your faith in me, yeah

Don't you know that

[Repeat CHORUS 3x]
