Get it

The tears that you're  
Starting to cry are no good  
Cause you know I loved you  
Much better than anybody would  
And it was understood

That I wouldn't be  
Staying around a long time  
You knew that someday  
I'd wake up, baby  
And I'd find somebody  
Further down the line

[CHORUS]

I'm the son of a loving man  
My daddy told me  
Get you all the loving you can  
And I can cause I, I'm the son  
I'm the son, son, I'm the son, son  
I'm the son, son, son of a loving me

My daddy before me told me  
That his daddy before him told him  
Never wait around and never settle down

Cause there are too many women  
Who will hold on tight to a  
Loving man who will come along  
And treat them right but you  
Got to leave with the morning light

[Repeat CHORUS]

Na na na na...

So don't get upset  
Cause I'm going away  
Goodbye's the one word  
That I never say cause  
You know that I'm

Coming back again sometime

Cause I, I'm the son  
I'm the son, son, I'm the son, son  
I'm the son, son, son of a loving me

I'm the son of a loving man  
My daddy told me  
Get you all the loving you can  
Get it

I'm the son of a loving man  
My daddy told me  
Get you all the loving you can

I'm the son of a loving man  
My daddy told me  
Get you all the loving you can...
