All them people who hold the keys
But continually close doors, know people dem fas
Fi all them fucking people who fas ya
Because you know what them are; you is weak
Fi all them fucking people who lie, continuously lie
Just so them can steer wit' dem there, haha

Fi all them fucking people who ignore blatant facts
Just so them can maintain an order benefical only to
themselves
Lord God!
Fi all them fucking people who are smiling at yer face
Only because them wan' see who there behind you,
haha

Fi all them fucking people who believes all is fair an'
equal
Ignorant of the fact that nuttin' of the sort
Fi all them people who never wan' see a man succeed
Improve an' better 'I'm bloodclaat self in life

Fi all them people who believes that charity begins at
'ome
Look here, mi say look upon the state of your 'ome
Fi all them fucking people who only concern in life
Is to mine our permanent state of hesitancy... believe

And try to control how the way you run t'ings
Fi all them fucking people who like to see a grown man
Pick up them shit after them, trust mi

Fi all them people whose worthless ambivalence
Leads to nuttin' but frustration and self-obsessed
anger
Fi all them people whose gain is my pain
There will come a time in life when only your pain will
remain

Fi all them people who use the word 'friend' as an
excuse
To carry on with slackness

An' take a whole heap of bloodclaat liberty
Fi all them fucking likkle yout' bwoy who thinks
They known everything about life,
But them know nuttin', trust me

Fi all them people who full up them yard with picnic
Then come their tooth lose their mouths
Bawl an' beg me out on the street

Is only surpassed by the wickedness of other people

Fi all them yout' tha' thinks charity begins at home
Believe me... nuttin' begins at 'ome

You is weak, haha
Fi all them people who lie, continuously lie
Just so them can steer right with dem there

Fi all them fucking people who ignore blatant facts
Just so them can maintain a order benefical to
