She's got a roof that don't leak
When the rain's pouring down
She's got a place I can sleep
Where I'm safe and sound
She's got a lock on her door
But she gave me a key
She don't walk the floor
Oh, but she worries about me
Chorus:
Her love has no strings, shackles or chains
But I'm holding on for dear life
She's like rolling a seven
Everytime I roll the dice
She's got a big Oldsmobile
She's got a dog that don't bite
She's got a heart I can steal
Like a thief in the night
She's got a slow burning fire
She keeps the radio low
When she gets inspired
We let the good times roll
(chorus)
