Dip dip dip dip dip dip dip  
Whoa, oh, oh, oh  
Dip dip dip dip dip dip dip  
Whoa, oh, oh, oh...

Forget Tom, forget Bob  
Forget the moon, forget the stars  
Forget Jeff, forget Bob  
Forget the moon, forget the stars  
But, baby, don't forget I love you

Forget Tom, forget Steve  
Forget the birds, forget the bees  
Forget Tom, forget Steve  
Forget the birds, forget the bees  
But, baby, don't forget I love you

As I was walking down the avenue  
Happened to pass you by  
You looked at me  
With a twinkle in your eye  
And I never will forget you  
Till the day I die

Forget Tom, forget Bob  
Forget the moon, forget the stars  
Forget Jeff, forget Bob  
Forget the moon, forget the stars  
But, baby, don't forget I love you  
Whoa, oh, oh, oh

As I was walking down the avenue  
Happened to pass you by  
You looked at me  
With a twinkle in your eye  
And I never will forget you  
Till the day I die

Forget Tom, forget Steve  
Forget the birds, forget the bees  
Forget Tom, forget Steve  
Forget the birds, forget the bees

But, baby, don't forget I love you  
Buy, baby, don't forget I love you

Whoa, oh, oh, oh (come on, baby)  
Whoa, oh, oh, oh (nix them bums)  
Whoa, oh, oh, oh  
Cause they see my baby

But if they see my face  
They better run, yeah, ha ha
