Remember what you promised my mother
You told her that I'd be in by two
One kiss could lead to another
And, baby, you know they always do

So I gotta go now
Better go home now
Cause I don't want
My folks mad at you

[CHORUS]
Goodnight, baby, baby
Baby, goodnight
Kiss me again and hold me tight
Goodnight, baby, baby, baby
Sleep tight

I'll be standing there in my window
Watching you till you're out of sight
Then I lay my head on my pillow
And dream about the
Things we did tonight

But I gotta go now
Better go home now
Please think of me when you
Turn out the light

[Repeat CHORUS]

But I gotta go now
Better go home now
Please think of me when you
Turn out the light

[Repeat CHORUS]

Goodnight, baby
Sleep tight, baby
Goodnight, baby
Sleep tight, baby

Goodnight, baby
Sleep tight, baby
Goodnight, baby
Sleep tight, baby...
