You say you want me  
Is it me you really want  
You say you need me, yeah but you turn and run  
My head is tangled  
Remember when  
You told me I'm the only one  
You said you meant it  
Til another came along  
It's amazing how you played me  
Don't call my name  
Cause I'm not ready for the pain  
You're just (a boy) afraid (afraid)  
Of being lonely but I won't stay  
When everytime you find the one  
And suddenly she ain't enough  
You're the boy who cried love  
Boy when you're on fire you're a go getter  
When you're feelin' down I'm your pain killer, I'm over it  
I never wanted nothin' but a boyfriend  
To treat me right I'd be his little sweet thing  
So much for my wishful thinking  
Don't call my name  
Cause I'm not ready for the pain  
You're just (a boy) afraid (afraid)  
Of being lonely but I won't stay  
When everytime you find the one  
And suddenly she ain't enough  
You're the boy who cried love  
First you pick me up and then your throwing me away  
Why you want me back here when you never wanna  
stay  
I can't do this (I can't do this) I can't do this  
Don't call my name  
Cause I'm not ready for the pain  
You're just (a boy) afraid (afraid)  
Of being lonely but I won't stay  
When everytime you find the one  
And suddenly she ain't enough  
Two can play your little game  
So tell me are you having fun?  
You're the boy who cried love
