I see your eyes light up like a morning  
But there's no smile upon your face

Oh where oh where can my baby be?  
He's here but not here with me

Don't tie my hands  
They only want to go to hold you  
Feel your love you not own you  
That's not who I am  
But if you fall apart I'll catch you when you land  
I only want to hold you  
Don't tie my hands

You throw me kisses when you're going  
And when I catch them there's nothing there

Oh where oh where can my baby be?  
I wish he'd talk and open up to me

Don't tie my hands  
They only want to go to hold you  
Feel your love you not own you  
That's not who I am  
But if you fall apart I'll catch you when you land  
I only want to hold you  
Don't tie my hands

Ooo did you back away from me to be alone?  
Ooo come on back to me, come on home

Don't tie my hands  
They only want to go to hold you  
Feel your love you not own you  
That's not who I am  
But if you fall apart I'll catch you when you land  
I only want to hold you  
Don't tie my hands
