Nothing to hide
I like to cry
I even tell tell the truth sometimes I lie
To make myself feel better

I do I don't
I will I won't
Is what I tell myself to sooth my fears
That tomorrow will break nice weather

Check the mail
A sign for sale
Across the street a broken nail
Not hammered
The punishments overrated

I washed your clothes
I made a home

Crazy, crazy for givin' it all to you
Thank-you for the waste of time
And the mess you put me through
Crazy, crazy I'm finally over blue
Keep your sorries and your lies
I'm gonna win you lose
