Gotta get, gotta get out of here
Gotta get, gotta get out of here

Ain't nothing left for me in this hotel
No dreams, no men, no money well

Gotta stop working in this hotel
Gotta stop working in this hotel
If I stay to long it will bring me down
God knows where I'll go but I won't be found

Chorus
It's a ghost town, ghost town
You gotta leave before the sun goes down
It's a ghost town, ghost town
You better leave before the sun goes down

Gotta get, gotta get movin' on
Gotta get, gotta get movin' on
Ain't nothin' new since I've been young
And everyone knows everyone

Well I was dating Johnny Rye
He's so loose he on the side
Well she was chasin' Bobby Black
He kissed me behind her back

Chorus

Maybe I'll be back one day
When my hair is turning grey
Not for now I'll blow a kiss
I gotta get outa this...

Chorus x2

Ghost town
