Are you ready to kick it up?  
Come on  
Tonight it's gonna take a little bit more  
Than the average throw it down  
It's been one of those, one-of-those weeks  
I'd rather forget about  
Get a plastic sheet for the bed of your truck  
Fill it full of beer and ice  
Call your boss, your wife and lazy husbands  
Cause no-one's goin' home tonight  
We gotta raise the bar, take it off in my car  
A whole new level of breakin' it loose  
So kick it up another notch  
This party ain't for shrinkin' violets  
Give it all you got  
Oooo Oooo  
Pass me the scotch  
Let's kick this mother up another notch  
Now whoever passess out here first  
Gets tied up to a tree  
And if you jump out in the water  
You got to be naked as a breeze  
Out in the field there's a beat up car  
Let's set that heap on fire  
We stay out here till the sune comes up  
If we have to go a bit haywire  
We gotta elevate whatever it takes  
To a whole new level of breakin' loose  
So kick it up another notch  
This party ain't for shrinkin' violets  
Give it all you got  
Oooo Oooo  
Pour me a shot  
Let's kick this mother up another notch  
Oh we gotta raise the bar, take it off in my car  
A whole new level of breakin' it loose, break it loose  
Let's kick this mother up another notch  
Pass me the scotch  
Let's kick this mother up another notch  
Call your friends and their cute brothers  
Kick this mother up another notch
