You had your love for sale and i bought it,
Thought it was a steal till i lost it,
How could i change who i was,
For someone im not even proud of,
I'm saying this to you because,
I've finally had enough

(Chorus)

I'm taking every breath,
Taking every minute,
This is my world and you're just livin' in it,
I'm walkin' away right now before you leave,
Takin' back the days, sleeping through the night,
This story of love gone wrong has a happy end,
Coz' this is my life again- oh

I gave you my heart and you knew it,
Under my skin in my head i let you do in,
If walkin' away is so easy,
Then why is forgettin' so hard,
I need my memories to lead me,
And i know where to start

(Chorus)

I'm taking every breath,
Taking every minute,
This is my world and you're just livin' in it,
I'm walkin' away right now before you leave,
Taking back the days, sleeping through the nights,
This story of love gone wrong has a happy end
Coz' this is my life again

The sweetest revenge,
Is having you knowin',
That this is my life again!-yeah

(Chorus)

I'm taking every breath,
Taking every minute,
This is my world and you're just livin' in it,
I'm walkin' away right now before you leave,
Taking back the days, sleeping through the night,

This story of love gone wrong has a happy end
Coz' this is my life again

The sweetest revenge,
Is having you knowin',
That this is my life again!
