I've got a history of leaving
Rumour has it I've been known for cheating
Are you scared? Well i don't care
You seem like a nice guy probably raised right
Baby save yourself

'Cause you're only a man, better leave while you can
'Cause nothing I do lasts forever
I should have told you last November
Comes a time too late cry for help
Baby save yourself

You can take a punch I'll give you credit
But if your pride can't take no more honey don't sweat
it
Can it hurt (hurt) any worse (any worse)

'Cause you're only a man, better leave while you can
'Cause nothing I do lasts forever
I should have told you last November
Comes a time too late cry for help
Baby save yourself

'Cause you're only a man, better leave while you can
'Cause nothing I do lasts forever
I should have told you last November
Comes a time too late cry for help
Baby save yourself
Oddsare we wont b together or even make it til
September
can't you just go find sombody else?
Baby save yourself
