Ahh, we got a thing that's in the groove  
Yes, we got a thing that's in the groove  
It's so hip, it'll make you move  
Yes, we got a thing that's in the groove

Well, it's a feeling you can't explain  
People, it'll put you in a pain  
It'll make you so you can't stand still  
Baby, do you get this feeling

We got a thing that's in the groove  
Yes, it's so hip, it'll make you move

Well, I know you wanna shout  
Be a little girl jumping about  
Look at Linda go  
She wants to let us know

Yes, we have a thing (got a thing)  
Yes, we (got a thing) got a thing  
(Got a thing) here we go (here we go)  
Here we go (here we go)  
Here we go (here we go)  
Here we go (here we go)

Just a little of soul now  
Just a little bit louder  
And more soul and more soul

I know you know  
Everybody's gonna know  
It's here, it's there, it's everywhere  
So let down your pretty hair

Yes, we (got a thing)  
Got a thing (got a thing)  
Yes, we (got a thing)  
Got a thing (got a thing)

Boogaloo (boogaloo)  
Boogaloo (boogaloo)  
Philly dog (philly dog)
